IMPORTANT FIELD STUDY TIPS AND ADVICE

- **Sites not listed in Field Study Catalog WILL NOT BE APPROVED!**
- **STUDENTS WHO HAVE ENROLLED BUT HAVE NOT MET PRE-REQS OR DEADLINES WILL BE DROPPED**
- **Students MAY NOT change placements after the course enrollment deadline**
- **PRIORITY ENROLLMENT:** Should field study enrollment reach maximum priority will be given to graduating seniors
- Any hours worked before the placement period **WILL NOT** be credited
- Students are **RESPONSIBLE** for meeting all deadlines. Including ensuring supervisors submit field work evaluations by the deadline

ACADEMIC REQUIREMENTS

- **ATTENDANCE TO ALL CLASSES FOR 195 IS MANDATORY!**
- Students are **RESPONSIBLE** for reviewing minimum field study standards at:
<https://fieldstudy.soceco.uci.edu/pages/minimum-standards>
- Field study is graded on Pass/No Pass basis only

TIPS

- Do a self assessment of your career and personal goals to make the most of this opportunity! Accept a **placement offer** that is most closely related to your goals and interests.
- You may need an interview, background check, documentation of health or other requirements. When applying it is recommended to include deadline date, placement period, number of hours per week you will be at the site and why you are interested in their organization.
- Approximately **5 business days after the course enrollment form deadline** you will receive an email authorizing you to enroll in 195 and/or 195W
