***Email authorization:** If students meet all prerequisites and meet the deadline to submit a Course Enrollment Form, they will receive an email authorization with information on how and when to enroll. Students are not to enroll prior to receiving this notification.

For F-1 Visa International Students: Visit the International Center website (before submitting a Course Enrollment Form) for information on [Curricular Practical Training](https://ic.uci.edu/students/currentStudents/employment/curricular-practical-training.php): eligibility, deadlines & submission process <https://ic.uci.edu/students/currentStudents/employment/curricular-practical-training.php>

FIELD STUDY STEPS TO SUCCESS

1

PLAN

As early as possible

- Select a quarter, be mindful of deadlines
- Prepare Resume & Cover letter
- View catalog

2

APPLY

3 months before the CEF deadline

- Apply to 3-6 sites
- Follow Up
- Be professional

3

SELECT

Before the CEF deadline

- Consider offers
- Select a placement
- Accept an offer

4

CONFIRM

Once a placement is SECURED

- Submit Course Enrollment Form by the appropriate deadline

5

ENROLL

Once authorized and notified

- Enroll upon receiving authorization

FIELD STUDY INFORMATION

Enrollment

- After securing a field placement, submit a Course Enrollment Form by the appropriate deadline
- If authorized, enroll in SE 195/W Field Study through WebReg
- Field Study Student Calendar available on the Field Study Website
- Students are responsible for reviewing minimum field study standards at: <https://fieldstudy.soceco.uci.edu/pages/minimum-standards>

Fieldwork Information

- Students may not change placements after the course enrollment deadline
- PRIORITY ENROLLMENT: if enrollment reaches capacity, priority will be given to graduating seniors
- Any hours completed before the placement period WILL NOT be credited
- Students are responsible for meeting all deadlines, including ensuring evaluations are received by the deadline.

SE 195/W PREREQUISITES

- Social Ecology 10 is required
- Social Ecology 13 is recommended
- Declared major within the School of Social Ecology or Environmental Science and Policy major
- Minimum 2.0 GPA
- Junior or Senior standing (90+ units)
- Lower Division Writing (if requesting SE195W)
- Accept and submit a placement by the Course Enrollment Deadline for the quarter of your choice

UNITS & HOURS BREAKDOWN

- Field Study can be taken for 2 - 8 units, 20 hours required per 1 unit of SE195/W
- 4 units/ 80 hours of Social Ecology 195/W Field Study is required to graduate
- SE 195 is graded on a Pass/No Pass basis only
- Field Study may be repeated for up to 12 units
- If participating in UCDC/UCCS hours, 4 units = 200 hours & 8 units = 320 hours
