**Bright Past.
Brilliant Future.**

Advanced Field Study 2023-2024
Information Session

Advanced Field Study 2023-2024 Information Session

Welcome everyone! We will be starting shortly. Please fill out the Attendance form. Link in Chat.

Today's Agenda

- What is Advanced Field Study?
- Fieldwork and Course Overview
- Prerequisites
- Enrollment Requirements
- Recruitment Timeline
- Finding a Placement / Sample Placements
- How to Apply
- Resources
- Q&A

What is Advanced Field Study (AFS)?

- **Exclusive, in-depth, three-quarter Field Study experience**
- **Address community issues** through civic engagement
- **Connect more deeply** with faculty, peers, and community organization
- **Develop strong writing and presentation skills**, culminating in a final paper and project presentation
- **Build professional skills** and prepare for graduate school/career

What to Expect from AFS Fieldwork?

- **During their placement**, students work with a local non-profit or public sector organization
- **Complete 80+ fieldwork** hours per quarter (about 8 hours/wk) for each of the three quarters of AFS
- **Develop strong relationships and menteeships** with supervisors, staff, and peers
- **Make meaningful contributions** to your organization and the community they serve

Fieldwork may include, but not limited to:

- Serving in day-to-day support of operations
- Conducting research that enhances the work of the organization
- Developing new activities or programs
- Working intensively with clients
- Engaging in outreach and community organization
- Participating in organizational development and advancement efforts

What to Expect from the AFS Courses?

- Complete the three-quarter sequence with the same **tenured faculty** (Dr. Karna Wong) and **small cohort**
- Learn to **integrate fieldwork experiences** with academic knowledge
- **Apply theory and research** (classroom) to community issues (fieldwork)
- **Develop personal and professional strengths** and competencies
- **Explore career paths** across Social Ecology-related fields

Prerequisites

- School of Social Ecology / Environmental Science and Policy major
- Enroll in all three courses of the Seminar sequence for the academic year
- Minimum 3.0 Cumulative GPA
- 90+ quarter units completed (by the end of Spring '23)
- SocEcol 10 and Lower Division Writing completed by Summer '23
- Previous volunteer experience in a community setting preferred

Additional Prerequisites

For those who wish to complete a **research project** as part of AFS:

- Completion of SocEcol 13
- One quarter of prior participation in a research lab/research project
 - Not including projects assigned as course work in SE 10 or SE 13

Enrollment Requirements

Fall Quarter	Winter Quarter	Spring Quarter
<ul style="list-style-type: none"> ● SocEcol 195A - Take P/NP ● Satisfies elective units requirement only 	<ul style="list-style-type: none"> ● SocEcol 195B - Take P/NP ● Satisfies the School of Social Ecology 195 Field Study requirement 	<ul style="list-style-type: none"> ● SocEcol 195CW - Take for letter grade ● “C” or higher satisfies the upper-division writing requirement
