COURSE ENROLLMENT: WEBREG

ENROLLING IN COURSES

You may use WebReg to enroll in classes and make schedule changes during both the Enrollment by Window and Open Enrollment periods. Refer to in the [Quarterly Academic Calendar](#) to view these periods.

NOTE: After these periods, to add, drop, or change, you must submit an [Enrollment Exception Request](#) through the Applications section in [StudentAccess](#). Add, drop, and change deadlines are available in the [Quarter Activity](#) section of the Quarterly Academic Calendar.

WebReg is available from 6:00 a.m. to 4:00 a.m. daily, with occasional downtime for maintenance.

During the Enrollment by Window period, when your enrollment window opens, you have 48 hours of full access before you are restricted to non-prime time access (7:00 p.m. to 7:00 a.m.), while other students' enrollment windows open on an established priority basis.

Continuing Students: To find your enrollment window, visit [StudentAccess](#) beginning the seventh week of the current quarter.

Once logged in to WebReg, you will be able to:

- Add a class (through 2nd week of instruction)
- Drop a class (through 2nd week of instruction)
- Change the grading option of a class (through 2nd week of instruction)
- Change the unit value of a variable unit course (through 2nd week of instruction)
- Use the [waitlist option](#) until waitlists are deactivated
- View [co-classes](#)
- List the open sections of selected classes
- Receive confirmation of successful enrollment transactions
- Receive error messages for unsuccessful attempts to add, drop, or change enrollment
- Be notified of any academic holds on your record
